TAMPA CABIRI Chapter No. 116 of the Cabiri International Past Potentates Association

The Tampa CABIRI chapter No. 116 has been an integral part of Egypt Shriners for many years. Tampa Cabiri Chapter No. 116 of the International Cabiri Past Potentates Association meets each month prior to the Egypt Shriners Stated monthly business meeting; times vary. Membership is by approved application of any Egypt Shrine Past Potentate or Associate Past Potentate, in good standing. Officers are elected annually without any restriction of tenure.

The Tampa CABIRI stands in support of Temple Events, Programs, and Initiatives to better the reputation and legacy of Egypt Shriners. Its members play an active part in assisting with projects and efforts to counsel any group or Noble asking for assistance. Members also stand ready to support the Temple by filling in, on a temporary basis, any elected office of the Divan, at the request of the Potentate or his designee.
