2018 Fall Ceremonial

Honoring
III. Sir Frank A. Mongiovi

The Potentate's Message

Dear Brother Nobles and Ladies,

December was a Great Month with Several Parades, Meetings, and Christmas Party's from Units and Clubs. The Shrine Christmas Party at Centro was a fun filled day with so many smiles from Hospital Children and Shrine Kids. A big thank you to a job well done by the Oriental Guide Ron Hoedebeck and all the individuals and Clubs and Units that donated to make this a big success. Another thanks to the Aides for stepping up and assisting in preparing the treats for all to enjoy.

Don't forget that we have two events in the Month of January and that is the Council of Units on January 2nd and the Annual Meeting, Election and Installation of Officers on January 12th. The Annual Meeting starts at 9:00 AM and the Election will start at 10:30 AM with a break before the Installation of Officers at 1:00 PM. Should be a full day at Egypt Shrine and look forward to sharing it with all that can make it out to this event.

Just a reminder that all Clubs, Units and members need to go to Shrinersvillage.com and update their information in Webfez to make sure that we can have the proper contact information for the following years to come.

It has been a Honor to represent Egypt Shrine for the Year 2018 as your Centennial Potentate. The Goal for the 1st Lady's Project of Replacing the Circus Trailer with a graphic Wrap was completed with excess funds going to the New Hooper's Hollow at the New Shrine Property. This could not have been done without the generous donations and support of the numerous projects that were accomplished during the year. 1st Lady Maureen and I wish to thank you all for your help in making the 2018 year a successful one and one that we will never forget.

My Brothers, together we can show everyone that this is indeed the world's greatest fraternity.

Reginald James Guier
Egypt Shriners Potentate 2018

Peace be with you, my brothers (Es Selamu Aleikum)

Scottish Rite News

By Worshipful Casey Fletcher 32°, KCCH

The last four missives of this column have focused on the Analects of Confucius, discussing ancient philosophy regarding proper living, consummate conduct, remonstrance and ritual.

Freemasonry calls upon the wisdom of all ages, religions, philosophies and serious thinkers. This missive concludes the writer's ramblings about Confucius by exploring his teachings about Leading through Example. His teachings in this vein sound quite Masonic, and if not, at least worthy of consideration.

It is easy to preach to or exhort proper, moral and virtuous behavior. It is quite another to lead, guide, convince and persuade others by example.

In the Analects 13:1, Confucius gets to the point: "Make yourself a model and inspire the People...be unrelenting in your efforts."

What are our frailties? Sloth, quickness to anger, intolerance, intemperance, obstinacy?

We, as Masons, should radiate the message that we can govern our conduct and subdue our passions. In paying attention to our own shortcomings, we, with subtlety, are aiding, influencing and rectifying others'.

Our Brethren, and the profane, watch our behavior. In Analects 2.3 we are counseled to "lead with excellence, regulate with ritual conduct and inspire others to bring order to their lives."

Success cannot be willed for the Fraternity, nor for society, nor for ourselves. It cannot be willed at all. Failure and success are not a matter of chance. Success or failure are a matter of personal character and conscience effort. They are a decision.

Confucius reminds us that no amount of coercion or punishment can come close to accomplishing what a "shining personal example" can. We must think

beyond ourselves to consider what our conduct portrays to others, what people see in us, what they see us do and they hear us say.

Freemasonry and the Scottish Rite capture and inculcate the concept of exemplary conduct and example in the Blue Lodge and the Lodge of Perfection degrees.

Confucius captures it in a metaphor in the Analects 12.19, "the abilities of the exemplary person resemble the wind, while that of the petty person resembles the grass. The wind blows and the grass bends in response."

Wow.

Let us govern ourselves accordingly and lead by example. Let us be "the wind" that allows us to successfully contribute to, or even make a difference, in the world.

The Scottish Rite's degrees will next be conferred May 18 and 19, 2019. Petitions are available at <http://tampascottishrite.org>.

The writer is the Worshipful Master of Tuscan Lodge No. 6 in Bartow, Florida. The prospect of being a good example is frightening to him. His next missive will move to some topic less introspective.

Brandon Shrine Club

By Noble David Jones

Greetings Nobles, from the Nobles in the Brandon Shrine Club. The BSC presented to the Potentate at the December Stated Meeting two large checks, one for \$4888. and one for \$2987. for the Egypt Shrine Transportation Fund. That brought our club total for year to \$11,588. These two checks represented the

collections from our Fez Boxes, and the Paper Drive.

Last evening, we held our Brandon Christmas Dinner Party at the clubhouse, which was well attended in spite of inclement weather. The food was wonderful and the fellowship was Great!

The Brandon Shrine Club members wish you and your families a very Merry Christmas and a safe Happy New Year.

Greetings from the Ridge. December was very busy month for the club. At our December Business Meeting, the election of officers was held with the following officers elected to serve the club for 2019. Past President Noble Howard Craddock, President; Noble Allen Carr, 1st VP.; Past President Noble Dennis Koranda, 2nd VP.; Past President Noble Sam Wilkin, Secretary; Past President Noble Jerry Higginbotham, Treasurer. Congratulations to these officers selected. The date for the Installation of Officers has not been set. See the club web site for additional information when details are confirmed. Monday, December 10th a Board Meeting was held followed by a Business Meeting. Dues Notices have been mailed. If you have not received yours, contact any Shrine Club officer.

We participated in two Christmas Parades this year. Avon Park and Frostproof. Both were great parades and well attended.

Our December 8th social had a Christmas theme. Poinsettias were placed on each table and one lucky Noble or Lady, depending on where they were sitting was bale to take one home. Also, Nobles and Ladies were asked to tell about their most favorite Christmas memory. It was a fun and festive evening with everyone wearing their Christmas best. Needless to say, the food and fellowship was great and a good time was enjoyed by all.

We are continuing to have good attendance for our famous \$5.00 Saturday Morning Breakfasts, Shrine

Stores and the Flea Market. Thank you Nobles and Ladies for your continued support and by bringing in gently used clothing and household items to the Shrine Store. Remember, your discarded items may be just what someone else is looking for. The revenues from our breakfasts and Shrine Stores help cover the operating expenses of the Shine Club facilities.

Continuing activities are Wednesday morning coffees, Friday evening darts and Tuesday evening cards continue on a normal schedule. Come visit, play and enjoy. Check the newsletter for any changes.

Also, Nobles and Masons don't forget that if you are coming this way, we have very nice motor home and RV accommodations with 4 RV spaces on our grounds with 30 & 50 amps and water. We are located at 2604 State Road 17, Avon Park, Fl. For more information, call our club at 863 382-2208.

In closing, we wish all our Nobles and Ladies of Egypt Shrine a very Happy and prosperous New Year.

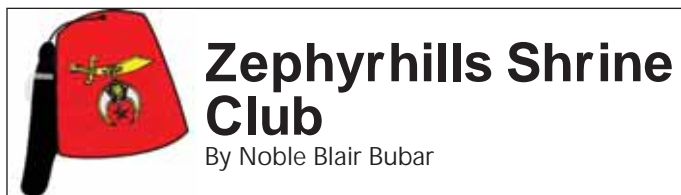

Until next month, God Bless!

Our season is in full swing, and we are having a good year. The Bumper cars have made it to a couple of parades in December and will make a few more in January and February. — The Spe-cial Needs ChristmasPartywhichtheShowmen'sClubdoesevery year was a terrific success and we as the Showmen's Shrine club fix the breakfast that is served to all of the bus drivers. We had a good turn out of helpers and the picture this month is of the workers who came in early.

Now for the reminder, and the ask for help, February will be the Trade Show where the Shrine handles the parking. We could use some extra help for this task, so if you have some free time, come on over and join the fun. Also Our Annual Meeting is on Friday of the trade show at 10 am in the club meeting room. We always get a group photo and like to have as many different Fez as possible.

The Holiday Season has come and gone like a whirl wind. What a wonderful time of the year it is, as it brings out the best of everybody.

I really don't have much to report, other than the Zephyrhills Shrine Club is alive. Our numbers are small but our hopes are high.

Our next meeting will be January 17th at The Village Inn of Zephyrhills. The meeting will begin at 7:00PM and we will have a guest speaker. This will also be a night for the Ladies. If possible please RSVP me so that I can give the staff at The Village Inn an estimate of how many to set up for. (Blair Bubar 207-694-5876 or bbubar69@gmail.com)

Hope to see you and your Lady.

The December parades have kept us hopping. The Brooksville and Inverness parades were a blast. Great weather made for an awesome turn out. As of

this writing we still have Tarpon and Safety Harbor parades to do. I hope we have good weather for those too. We are still meeting at Hernando Shrine club in Brooksville on the LAST Friday of the month at 6:00 pm. The bar is always open, and we have light snacks to eat. Bring your lady as we keep them as involved as we can. We are always looking for new members and as a special unit you don't have to quit your old unit if you don't want to. We ride a float so if you can't march you can ride with us and we won't break your bank account either. As the incoming president you can call me for information at 727-514-3181 Noble Ray Vance.

PHARAOHS – Let's attend the Annual Egypt Shriners Meeting and Election on Jan 12 (before 11 am) and go to lunch after? Bring your fez, 2019 dues card, and Pharaohs shirt. A Pharaohs fun ride will be on Sunday, Jan 20 – isn't it time you got on two wheels? FASMC mid-winter is at the end of the month – let's discuss our interest.

Lastly, Pharaohs meeting on Jan 23 in the 2nd floor library, Centro basement beforehand. Director James Lich has some plans for us in 2019. We will plan a Pharaohs event to be remembered at this time. Be there! Our meetings are on the 4th Wednesdays at 7:30 at Centro Asturiano. Peace be with you.

Shriners Village

A Private Web Community for Shriners

Become Part of the Shriners Village Community

Shriners Village is the Web-based community created exclusively for the Shriners family. Fraternity members and their ladies can visit www.shrinersvillage.com to find information about Shriners Hospitals for Children®, fraternal programs, membership, temples, Shrine-related events and breaking news.

The website contains useful fraternity documents for nobles to download, such as the Fez Owners Manual, Membership Toolkit, Shriner Primer, Shrine Protocol and a pamphlet about the history of Shriners International. In its short existence, Shriners Village has become the communication engine for Shriners International.

"Given that there are 325,000 nobles all over the world, Shriners Village is a fantastic outlet for the fraternity to relay information to its nobility," said Jack Jones, executive vice president of Shriners International. "It is also a great way for Shriners to learn from one another so they can help their temples succeed."

Shriners Village also has an Events section with information about temple fundraisers and other activities. Any registered user has permission to post an event on the events calendar by clicking on the "Events" tab and then finding the "Events Calendar" on the left column of the page. To add an event, use the "Add Event" tab and then click the "Submit Event" button after the form has been filled out.

The Shriners Village development team will be adding new features to the website on a regular basis. One of the features will be member profiles, where nobles can upload photos and their information similar to Facebook. This new addition will make it possible for Shriners to find and contact other members. Also in the works is a new forum feature which will allow nobles to share ideas and thoughts in a private discussion area.

Visit www.shrinersvillage.com and register so you can be a part of Shriners' virtual community.

An Advanced Orthotics and Prosthetics Program

Shriners Hospitals for Children has a long history of providing expertly crafted, correctly fitting orthotic and prosthetic (O&P) devices to children who need them, giving kids with missing limbs and other orthopaedic difficulties the opportunity to believe in their dreams and be active participants in the world around them.

Our staff members have created devices that allow children with missing limbs to play musical instruments, participate in sports and to have a better quality of life. Our highly trained O&P professionals can create a full range of devices, from a complete prosthetic limb to the smallest assistive device, for children of all ages, as efficiently, accurately and precisely as possible.

A FASTER, SMARTER WAY TO CREATE O&P DEVICES

Shriners Hospitals for Children has taken its commitment to children in need of O&P devices even further, and established a system-wide approach that is more streamlined, collaborative and technologically advanced.

The U.S. Shriners Hospitals have been divided into six regions, each with a hospital designated as a regional

fabrication center that supports the O&P departments of specific Shriners Hospitals. The O&P departments and regional fabrication centers are separate nonprofit LLC corporations, known as Pediatric Orthotic and Prosthetic Services (POPS).

The fabrication centers have electronic carvers, and each hospital location has computer-assisted design (CAD) capabilities.

In the new process, hospital staff use a light scanner to scan the patient's leg, for example, to obtain measurements and other information. Using CAD, the practitioner creates a rendition of the device needed. The computerized data is then sent to the regional fabrication center for development of a foam model using the electronic carver. Then, the actual device is created and sent to the requesting hospital, where it is fitted to the patient, and the patient is taught to use the new device.

This approach eliminates the need for creating plaster casts as models, and saves the scanned model as a digital file for future reference. Now, creating an O&P device can be accomplished in days, rather than weeks. The computerized data also helps document changes in patients' growth or weight, which may necessitate new devices.

In addition, our Salt Lake City location has a foot carver machine that is specifically used to create orthotics that

are inserted into shoes to correct a range of foot-related problems, such as a lack of or too much of an arch. This machine can create the entire device without a foam model. The Salt Lake City POPS department will provide this type of orthosis for the entire health care system.

MAKING TECHNOLOGY MORE ACCESSIBLE

Future plans for O&P include the development of a pilot program for 3-D printing for sockets, including determining the durability and quality of a printed socket. The socket is the part of a prosthetic device that fits around the residual limb. Its fit and construction are critical to the success of the device for the patient.

"The POPS program strengthens the consistency and efficiency of our processes and products throughout our health care system," said JoAnne Kanas, corporate director of O&P Services. "It is also a differentiator for Shriners Hospitals; very few hospitals still have their own O&P departments or programs."

The policies of Shriners Hospitals for Children are replicated in each POPS location, including the commitment to provide each patient with the best possible individualized care, regardless of the family's ability to pay.

"Shriners Hospitals is unique in its approach to O&P," said Kanas. "What we can do for our patients is special."

In Memoriam

Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.
The first we've written and laid away.
The second we're reading day by day.
The third and last of the volumes three,
is locked from sight.
God keepeth the key.
